When winter starts, the fun begins! Check out these games to play in the snow with your child!

For the Birds

String Cranberries, popcorn, and cereal onto fishing line for a garland to attract and nourish your feathered friends!

Cold Molds

Borrow some pans from the kitchen and use them to build snowy fairy castles or cakes for a cold weather "feast".

Walk This Way

Take turns following each others' leads as you move like different animals. Waddle like a penguin and stomp like a bear!

Make a golf course by packing down a section of snow every few feet. Bury tin cans halfway into the snow to create holes, and mark them with mini flag sticks.

Swing Away!

Pin the Smile on the Snowman

Pass out chocolate cookies, then blindfold each child and let them try to get the mouth, eyes, and buttons in place.

Tic-Tac-Snow

Two players go for the championship in this classic game. Draw out your board in the snow and use criss-crossed sticks and pine cones as game pieces.

Go Tubing

Beach toys aren't just for sand! Sit in inner tubes and then race to the finish line using just your feet.
